Oak Room

San Mateo Main Library

Californians just experienced the warmest winter recorded in 119 years, and that is on top of Gov. Jerry Brown declaring a Drought State of Emergency. Are these indicators of Climate Change? Please join us for an educational evening to learn the latest facts. Wei-Tai Kwok, a Bay Area resident, is a volunteer Climate Leader personally trained by Al Gore in August 2013 to present the actual updated Inconvenient Truth slide presentation currently used by Mr. Gore himself. Learn what we can do to be part of the solution.
